Overview & strategic pivot

BPO SALES

Slower than anticipated — UK sales onboarding delayed (John Devlin & Alain Meric).

GCC DEMAND

Market shift to GCC Professional Services. Competitors won't do GCC — Trilogy is well positioned.

Pivot: primary focus on GCC; secondary on BPO & AI. AI confusion is slowing BPO decisions while GCC demand rises.

Finalise DSG SA JV (SPV) for joint GTM / procurement strength.

03 UK contracting

Buyers prefer UK entity for cyber diligence.

MITIGATION

Partner talks with Ventrica & iQX (w/c 27 Oct) for UK contracting.

Facilities & CAPEX

CURRENT → NEXT

Shared space at Old Mutual Park, Pinelands → first CC/back office at Boulevard Office Park, Woodstock (contracts + HQ).

Strategic options

01 GCC focus

2,000 seats / 3 yrs · 10,000 m² · ~R2k profit/seat/mo · ~75% EBIT · needs BUILD partner (e.g. Navigator)

02 Mango 5

R8m for ~R3m/mo rev & ~R1.2m/mo GP · value ~R25m after 18 months

03 iQX UK partnership

GCC for them + UK/SA pricing (Ascensos-like) — sales reach & UK contracting in one move
